

Welcome to the Columbia Space Initiative!

1. As a club, we meet weekly on Fridays from 4pm to 6pm in Mudd 825, which is a building at the corner of 120th St and Amsterdam Ave. Individual missions may meet at additional or other times. Please approach the mission director(s) to ask about scheduling and time commitments for a particular mission.
2. Find us on [Slack](#) and sign up with your school email address. We use Slack for internal communications, announcements, memes, file storage, and more. You can download Slack as an app or open it up in your browser.
 - a. Please add a contact photo if you're comfortable doing so, as this helps all of us get to know each other faster.
 - b. Join a few channels! You're already in #general, #random, #career_opportunities, #forms, and #team_bonding by default. You should also join the channel dedicated to your mission, as well as a few other channels like #memes, #bumpin_tunes, and more. Feel free to poke around!
3. Subscribe to our newsletter by filling out the form at the bottom of our [website homepage](#), if you haven't already. Official club-wide announcements are organized and sent out each week by our CAPCOM (Secretary) Bruno Rergis, so don't let his hard work go to waste! Think of this as a nice tl;dr of all the announcements that happen in Slack.
4. Keep in touch!
 - a. Join our [Discord](#)!
